Introduction

Sona Devi Sethia P.G. Girls' College was started by Late Shri Sohan Lal ji Sethia in the year 1966 with just 11 students. He started the college with a great noble vision to educate the women of our society. After the death of Shri Sohan Lal ji Sethia in the year 1967, responsibility to take it forward was taken over by his son Mr. Nirmal Kumar Sethia under the Registered Trust. In the year 1986, Mr C.S. Jain was deputed by Mr. Sethia to look after this institution and its growth with the changing times.

Formerly the college started with Arts stream. Considering the rising demand and limitation of space, Mr. Sethia funded the development of a new large campus in the year 2000 and introduced new opportunities to study and pursue education in Commerce, Computer Science, Post-Graduation & Science Courses also. Along with subject course material the institute is committed to provide value-based education. The students are given training how to implement the education in their working as well as individual lives.

Presently, after the long journey of 55 years, this College has been a Pioneer institution in spreading the message of literacy, independence and educating females in this backward region of Rajasthan and has done excellent and exemplary work in the field of higher education. With the advance technology, the college is providing education through Online Classes, Video Lectures and Webinars. The College also facilitates research works.

The future plan for the college include multi-disciplinary subject to meet the growing demand for Professional Managers and Administrators across the country. It is Mr. Sethia's cherished dream and ambition that the college should not merely be an institution for the certificate of education, but every girl going out of this college should help in building and all-round growth of her family, society and country.

Aim and Objectives

1. The mission of our Institute is to prepare young woman folk for challenging opportunities in competitive environment with special emphasis on Global competition
2. To provide education to poor and needy students at an affordable cost, irrespective of caste, creed, region, religion and not for profit.
3. To impart value-based quality education to our students.
4. To ensure their integrated development with emotional intelligence and to provide a platform for interaction and group discussion among the students.
5. To develop and inculcate ethics and values.
6. To enable the students to cope with the ever-changing social milieu by infusing in them the strength of character, social responsibility and National fervour.
7. To inculcate in them an urge for learning systematized process of research and consulting.
8. To help the students by giving better opportunities in placement and exposures, practical knowledge with collaboration of alumnus.
9. To encourage students to become entrepreneurs by undertaking training programmes in various forms.
10. Expand each student's level of literacy, numeracy and digital literacy to compete with modern world challenges.

Why choose SDS?
